OFFICE OF LEGISLATIVE COUNSEL

Monday - 3 November 1975

25X1

1. [REDACTED] LIAISON Took a call from Bob Schick, of Senator Hugh Scott's staff (R., Va.), who had talked to a State Department officer who told him that the Agency had its own program for taking care of Laotian escapees/refugees in Thailand. He wanted to know whether this was true and what criteria we used to select those who would be permitted to enter the United States on parole status. After checking with [REDACTED] Schick was informed that we had no program of our own and our requirements for handling this are by the normal State process. In terms of criteria we also use the State procedures.
